We are delighted to welcome everybody back to Cheadle Hulme Primary School this week after what we hope has been an enjoyable and relaxing summer for all. We would like to make a special welcome to our new Reception families who are joining our school community for the first time. It has been lovely to see all of the children arriving with big smiles on their faces and ready to learn this week. The team here have been really impressed with the confidence, determination and enthusiasm that each child has demonstrated in their learning already. It has certainly made for a great start to the school year!

The whole team here are really looking forward to the year ahead and the opportunities that we have planned to further our school development priorities in enhancing our curriculum, and building on the high expectations we have for all of our pupils. It has been a fantastic first week back and we look forward to a happy and successful 2020-21 working together.
