

Christmas is most definitely on its way here at Cheadle Hulme Primary School! There has been a lovely feel throughout our school this week as children (and adults!) worked hard as a class to produce a celebration video as an alternative to the more traditional performances that would usually take place at this time of year. As ever, our children have risen to the challenge to learn lines, sing songs and dance away on stage in front of our Christmas tree. We look forward to sharing these with you on your child's Year Group page of Microsoft Teams by the end of term.
