

Weekly Newsletter

We're just a few weeks in but it's been great to see all the children so enthusiastic at the start of what will be a very busy term! We've Computing Week (including Safer Internet Day) to look forward to as well as World Book Day and British Science Week in March. The children have an educational visit as part of Chinese New Year and will perform in their first class assemblies. Class Teachers have also been working hard on putting together new bookshelves for the Spring term full of brilliant texts for the children to explore as the key part of this term's curriculum.

This week on Twitter...

The Great CHPS Bake Off is on! RLC have been making soda bread, just like the Little Red Hen.

Apparently, it's "The bestest thing I've ever smelt!" With reviews like that it's worthy of a Paul Hollywood handshake!

Congratulations to these two busy

learners for earning the achievement award for their participation and progress in phonics!
