

# Weekly Newsletter

As one of our Curriculum Drivers, **Technology** is a key element of our school curriculum. We have taken advantage of this week's Safer Internet Day to focus on e-Safety with the children. Smartie the penguin has been teaching the children an important message about how to keep safe online, he has even taught them a little song to remind them to always ask an adult for help. We will continue to keep e-Safety as a high priority as the children engage with Technology in the classroom.

Mrs Drake, Head of School
