

Weekly Newsletter

You may have seen in our class assemblies that we are well and truly stuck in to our new selection of books that make up our curriculum bookshelf. A huge amount of time, effort and thought has gone in to the selection of a range of fantastic texts that will engage the children in the wonderful world of reading and allow them to explore their theme in a range of contexts. We will continue with our love of reading next half term by celebrating World Book Day 2019, please see the attached letter for more details. Just 10 minutes a day of reading can have a huge impact on so many aspects of your child's life, such as range of vocabulary, writing, spelling and general knowledge. I hope you all have a wonderful half term break.
