

Weekly Newsletter

We are currently in the process of putting together our own Academy committee for Cheadle Hulme Primary School. Thank you to everyone who took the time to vote for our school governor role and to the parents who have put themselves forward. I am delighted to announce that Zoe Tatton has been voted in as our first parent governor. We look forward to welcoming her to her first meeting in the summer term and sharing more about the work of our academy committee with you soon.

Mrs Drake, Head of School

Notes & Reminders

Parent Council

The next Parent Council meeting will take place on Tuesday 26th March. If you have any feedback please pass on to your Class Reps before then.

Please remember that any individual matters relating to your child should be taken to the class teacher in the first instance as the Parent Council meetings are a forum for discussions about more general topics.

Spring Sing

We are inviting parents and carers into school to enjoy our Spring Sing concert on Friday 5th April. The hall doors will open at 2.40 for a 2.45pm start. We look forward to seeing you there.

Rainbow Challenge

More information about the rainbow challenge has been uploaded onto the Reception page of our school website. It tells you how the different colours relate to the areas of learning that the children engage in as part of their continuous provision.

Measles

A total of 32 confirmed cases of measles have been reported within Greater Manchester in the last 3 months, with cases now seen in 5 local authorities (Salford, Manchester, Bury, Bolton and Oldham). Please see your Doctor if you have any concerns.

This week on Twitter...

We have celebrating Holi, an ancient Hindu Spring festival, known as the Festival of Colours. We have learnt about its significance and traditions. We have been busy painting and learning how to create new colours by mixing two colours together.

Dr Malik came to tell us about our bones and how important they are. We met his friend, Dr Rakatouie aka Bob! Did you know that the first two parts of your finger is the size of your nose?
