

# Weekly Newsletter

This week I'd like to take the opportunity to celebrate our Forest School which is now up and running and is developing on a weekly basis. Today we got to experience our first 'dry' session of the half term! Forest School is something we're immensely proud to call part of the School curriculum and is loved by pupils and staff alike. Over the course of the academic year every class has a series of sessions led by our Forest School lead Mr Wolstenholme, which may include den building, bug collecting, whittling, collage making or any number of natural art activities. The sessions are fantastic opportunities for the children to explore problem solving and team building skills as well as adding to their physical development.

Mrs Drake, Head of School

## Notes & Reminders

### Sports Day

Our sports day will take place on Friday 28th June, 9.15am. There will be a series of activities for the children to participate in set up on the school playground. Family members are welcome to come along and support the children.

### Illness

Absence from school should be avoided whenever possible however if your child is too ill to come to school, then please let us know at the earliest opportunity.

If your child has had a contagious illness e.g. a sickness bug, then please show consideration for the health of others and do not bring your child back to school until 48 hours after their last bout of sickness to reduce the spread of germs.

Please ensure that your child returns to school as soon as they are well enough to do so.

### Twitter

There is lots going on in School this term, so please follow us on Twitter to keep up to date with our learning!

## This week on Twitter...

Thank you Miss Murphy for a wonderful dance session inspired by the book Room on the Broom. We demonstrated the

different movements of a fluttering bird and fire breathing dragon and thought about how they would move differently through the sky!

We discussed good strangers in assembly today. The children were able to suggest ways we can stay safe in the community and who we should ask for help should we need it.

## Dates for your Diary

24th May	End of Summer 1 Term
10th June	Start of Summer 2 Term
18th June	New Cohort Information Evening
28th June	Sports Day 9.15am
6th July	Summer Fair
