

## A generation ago, 70% of us walked to school - now it is less than half.

We are pleased to be joining Living Streets Walk to School campaign, along with thousands of schools around the country, in hope of reversing this decline and to make walking the natural choice and part of every child's daily routine.

### FEEL-GOOD REASONS TO WALK

We know that walking regularly doesn't just make people feel healthier, it has a huge impact on our quality of life.

FEEL  
INDEPENDENT

FEEL  
HAPPIER

FEEL  
FITTER OR HEALTHIER

FEEL  
MORE CONNECTED WITH  
YOUR COMMUNITY

Not only will walking to school reduce congestion on site and in our surrounding community, it will lead to healthier, happier children (and adults!) who arrive at school feeling fit, refreshed and ready to learn.

As part of the Living Streets campaign, pupils will be tracking their collective efforts to promote walking to and from school each day and for those who walk to school at least once a week, they will also be awarded with a monthly badge - with 11 to collect each year. We look forward to celebrating these achievements and efforts in school with your children each week as we join forces in increasing walking rates and reducing issues such as congestion, pollution and obesity in our community.

We really hope that you and your family are able to contribute to this shared aim and responsibility in ensuring our community remains a friendly, safe and nice place to live.

Head of School

Mr Thompson  
Deputy Head of School
