

We are pleased to be taking part in this year's Stockport Book Awards which encourages children to take part in an exciting and engaging activity programme around some of the best current UK fiction titles. Raising the profile of reading for pleasure is a really important part of what we do at Cheadle Hulme Primary School. We know that reading a variety of texts can help pupils to develop their creativity and imagination whilst also having a positive influence on their outcomes for reading and writing. The shortlist of texts we will be exploring and voting for in the Stockport Book Awards feature in the 'Best Picture Book' category and includes the following titles:

This week the children have explored the front covers, shared their initial opinions and have made predictions about what each story may be about, before they go on to find out a little more about each text next week. Why not ask your child which one they are looking forward to reading in school the most and why?

Mrs Drake
Head of School

Mr Thompson
Deputy Head of School

Walk to School

As you know, we are encouraging as many families as possible to walk to and from school each day. Not only will walking to school reduce congestion on site and in our surrounding community, it will lead to healthier, happier children (and adults!) who arrive at school feeling fit, refreshed and ready to learn.

Each day, pupils have recorded their method of travel on the school run. **This week's champions are 10M with 55% of children choosing an alternative to arriving or leaving school by car.** Well done and thank you to all children and families who did the same!

This week, 40% of our school community chose an alternative method to their car to do the school run. Let's see if we can do even better next week with fewer vehicles being used at drop off and pick up.

COVID Reminder

Whilst some restrictions have been lifted, COVID still remains and we must do all that we can to keep our community as safe as possible. Please read the email that was sent about what you should do if your child, or a member of your household, shows symptoms or tests positive for COVID-19. Not only will your actions keep everybody safe, they will also ensure that the risk of disrupting the on-site education of your child, or that of others, is kept to an absolute minimum. Thank you for your continued support in keeping our community as safe as possible at this time. Please get in touch if you are in any doubt and we will do our best to help you.

Floella Benjamin Author Visit

We are delighted to announce the virtual visit of Floella Benjamin on Tuesday 11th May, in partnership with our friends at Simply Books in Bramhall. Floella will be talking about her experiences of moving to England from the Caribbean in 1960 and also of her authorship of two bestselling books.

Wanted: logs for Forest School

If you have (or know anybody else who has) logs available to donate to our Forest School we would love to hear from you! Please email a photo of the logs to admin@cheadlehulmeprimary.org.uk and Mrs Cheshire (Forest School Lead) will be in touch.

Save the date!

Early reading and phonics information session for parents and carers: 20th May, 4pm - details to follow.
