

The PSHE curriculum is an incredibly important thread throughout all that we do, in and around our learning environment and in the way that all individuals (pupils and staff) behave and interact with each other. As you may recall, we started our journey to become a Rights Respecting School last year and are recognised as a 'Rights Committed' school, meaning we are committed to placing the Rights of the Child at the heart of our ethos. Whilst this work is never going to be completely finished, we are proud of the ways in which our pupils discuss, challenge and reflect on their rights already.

The next step of our journey is to become 'Rights Aware', meaning that our pupils know about and understand their rights and how they can support and protect the rights of others on a local and global scale. One of the ways that we do this is through our weekly Whole School Assemblies, where carefully selected texts and articles are unpicked and translated to what this means to a child at Cheadle Hulme Primary School. This week we focussed on **Article 31: All children have the right to rest, relax and play**. Why not ask your child about this right and what it means to them?

Mrs Drake
Head of School

Mr Thompson
Deputy Head of School

Show Racism the Red Card

As part of our ongoing commitment to raise awareness and respect for equality and diversity and in our collective efforts to stamp out racism within our local and global communities, our Y2 pupils have produced a fabulous entry for this year's competition to produce artwork that helps spread such an important message. We are all really proud of the pupils involved in this project, but more importantly their passion for positive change in our world.

Job Vacancy: Senior Out of School Playworker

We are looking for a Senior Out of School Playworker to join our Kids Club team. If you have the experience and dedication to lead the Kids Club team then we want to hear from you. Find out more and apply online [here](#).

Walk to School

This week's champions are 211 with 55% of children choosing an alternative to arriving or leaving school by car. Well done and thank you to all children and families who did the same!

48% of our school community chose an alternative method to their car to do the school run. Let's see if we can do even better next week with fewer vehicles being used at drop off and pick up.

Staffing Update

We would like to share a number of staffing updates with you this week.

Farewells

We say farewell to Mr Himsworth who recently joined our Kids Club Team but has decided to leave us so he can take some personal time out. We appreciate everything Mr Himsworth did in the short time he was with us and wish him well for the future.

We are also saying a temporary farewell to Miss Binns, one of the Playworkers in our Kids Club Team. Miss Binns has accepted the opportunity to go on tour with the theatre but intends to return after her adventure. We wish her all the very best!

Welcome

We are also delighted to welcome Miss Anaconda who has joined our Admin Team. Miss Anaconda will be looking after our Nursery and Kids Club admin amongst other things no doubt! We wish her a warm welcome to Team CHPS.

Congratulations

Finally, we have two staff baby announcements to make. Mrs Calthorpe is expecting her second baby and Mr Thompson's wife is expecting their first. Both babies are due in November and we cannot wait to meet them!
