

As you know, we have been taking part in Living Streets Walk to School campaign this half term in our efforts to promote a healthy and active lifestyle, whilst also reducing congestion on site and in our local community. Thank you to everyone who has supported this, in whatever way that they have been able to.

Whilst we are pleased to hear that some of our families have switched to greener and healthier options for their daily travel to school, we recognise that there is still more to be done and we look forward to working with our school community to enhance our school's travel plan and site safety in our school car park. With this in mind, [please take a minute to share your views in our travel plan consultation by clicking here.](#)

Once we have gathered the views of our school community, we will continue to work with Laurus Cheadle Hulme and our partner organisations to further refine our travel plan and will share this with you next half term.

We hope that you have a lovely half term break with your families and look forward to seeing you back at school for our final half term of the school year on **Tuesday 15th June.**

Mrs Drake
Head of School

Mr Thompson
Deputy Head of School

Congratulations!

We are delighted to share with you that we have recently appointed Mrs Illidge as our Assistant Head of School for Inclusion. This is a really important role for our school and will build on our continued efforts to provide the best possible educational experiences for all children. We are sure that you will join us in offering many congratulations to her!

Holiday Club

Our holiday club will be operating during the second week of half term (7-11th June). If you need to contact Holiday Club for any reason, please phone the school office on 0161 507 5400 and Miss Anaconda (Kids Club Administrator) will be happy to help.

Job Vacancy: Senior Out of School Playworker

We are looking for a Senior Out of School Playworker to join our Kids Club team. If you have the experience and dedication to lead the Kids Club team then we want to hear from you. Find out more and apply online [here.](#)

Looking for practical advice to help you support your children and manage behaviour?

Place2Be have lots of videos and articles that may be of interest, click [this link](#) to take a look at their website.

Walk to School

For the second week running, **211 are our Walk to School champions** with **60%** of children choosing an alternative to arriving or leaving school by car. RHJ were close behind with 52%. Well done and thank you to all children and families who did the same this week, **49%** of our school community chose a greener and healthier alternative option to their car to do the school run.

Article 24: All children have the right to the best possible health care.

In this week's assembly, we discussed what health care is, why we may need it and how we can keep healthy and active. We thought about healthy lifestyle choices, including walking and cycling to school and daily exercise.
