## Annual Parent Survey

Each year, we ask all parents to complete a short survey in which we ask for feedback on a number of aspects of life at Cheadle Hulme Primary School. This feedback is hugely useful in helping us plan for the future so we would be really grateful if you could take 5 minutes to complete this year's survey by [clicking here](#). This survey will close at 9am on 7th July.

## Walk to School

RHJ are our Walk to School champions again this week with **79%** of children choosing an alternative to arriving or leaving school by car. Well done and thank you to all children and families who did the same this week, **54%** of our school community chose a greener and healthier alternative option to their car to do the school run.

## Article 28: All children have the right to an education.

This week in school, we have been celebrating Sports Week and have been learning about healthy living both in body and mind. The children have had a different focus each day including issues around mental health and wellbeing, healthy eating and of course staying physically fit and healthy!

## Sports Day Results:

**1st** Altius (127pts)  
**2nd** Fortius & Magnus (104pts)  
**3rd** Citius (92pts)  
Well done to all children for trying their best!
