

There has been a buzz of excitement around school this week in anticipation of Changeover Day. The children and staff have had a great day getting to know each other, settling in to their new classroom environment and finding out a little bit of what is in store for them in the Autumn term. Our Year 2 pupils have spent their first day upstairs in their new classrooms, marking the exciting next step in our school's growth as we open Key Stage Two.

Whilst there are only two weeks left of the school year, there is much still left to do and enjoy as part of our Summer Term themes. Class Teachers are also supporting pupils in preparing for transition to next year, collaborating on handover arrangements and finalising end of year reports which you will receive next week.

Before the end of the school year, we will also be sending out a brief overview of what to expect in your child's new year group. These will also be uploaded to the year group pages on our school website.

ARTISAN PIZZAS AT HOME

PIZZA PARTY AT HOME!

We have teamed up with a local business based in Cheadle Hulme: At the Oven, and are selling bake at home artisan pizza kits. The pizza kits are £5 each & make 1 pizza.

They will be ready for collection in the play ground on 16th July 2021

Scan the QR code for ordering details via our PTA Event website.

Annual Parent Survey

Thank you to those of you that completed a short survey in which we asked for feedback on a number of aspects of life at Cheadle Hulme Primary School. This feedback is hugely useful in helping us plan for the future and we look forward to analysing the results and sharing a summary of these with you soon.

Walk to School

Well done and thank you to all children and families who chose an alternative to arriving or leaving school by car. **58%** of our school community chose a greener and healthier alternative option to their car to do the school run.

Our top three most-active classes this week

were:

RHJ (74%)

1OM (65%)

2II (62%)

Important Dates

23rd July School Closes for Summer
PTA Sponsored Obstacle Course

1st Sept INSET Day

2nd Sept School Re-opens for Pupils

Article 24: Every child has the right to the best possible health and a clean environment .

This week our focus was linked to our walk to school challenge. The children have been learning about and reflecting on the benefits of walking to and from school. They have explored benefits linked to their physical and mental health, local environment and their impact on the local community.
