

It is great to see the children immersed in the texts that feature as part of their Curriculum Bookshelves for the Autumn Term. As always, the books are carefully curated by our Class Teachers to inspire children in exploring themes such as Identity, Belonging and Heroism. As our school and its curriculum grows, the children will revisit these themes in each Key Stage to allow them to build on their knowledge and understanding of them and how they relate to our everyday lives. As a team, we are committed to providing an engaging and vibrant curriculum that provides all of our pupils with the high quality learning experiences that they deserve.

PTA

The PTA will be meeting for a planning meeting on Tuesday 28th September. If you would like to get involved in this year's events, or make suggestions on how we can raise funds then why not come along to Brezo Lounge in Cheadle village, where you will find us upstairs from 8:30pm. We look forward to seeing lots of you there!

Whilst our Summer BBQ was highly successful in raising money that will go towards improving the provision at school, we would love to hear your individual views too. Please complete [this short survey](#) to share your feedback and suggestions with us.

Parking

Please ensure that you park **legally** and **safely** when dropping off or picking up your child from school. If you must park on neighbouring roads, ensure that you are not blocking access to private driveways and ensure that you leave enough space for emergency vehicles to pass should they need to.
