

It is great to see the children immersed in the texts that feature as part of their Curriculum Bookshelves for the Autumn Term. As always, the books are carefully curated by our Class Teachers to inspire children in exploring themes such as Identity, Belonging and Heroism. As our school and its curriculum grows, the children will revisit these themes in each Key Stage to allow them to build on their knowledge and understanding of them as concepts and how they relate to our everyday lives. As a team, we are committed to providing an engaging and vibrant curriculum that provides all of our pupils with the high quality learning experiences that they deserve.
