Our extra-curricular clubs offer is ever-increasing and we are pleased to be able to provide our pupils with opportunities to further develop knowledge and skills in areas such as languages, music and sports outside of the school day.

With more clubs taking place on site, we would like to update parents and carers on the collection arrangements for these that will be in place from next week:

- If your child is attending Spanish or Music clubs, they will be brought out of school via the Main Entrance at the front of school.
- If your child is attending Mini Sports, they will be brought out via the Fire Exit at the front of school facing our car park.

The school site will now be secured straight after the whole school pick up times so that our Kids Club can use the playground area after school. If your child has a bike/scooter, please let the School Office know in advance so that this can be brought to the appropriate door when you collect your child. Thank you in advance for your support in implementing the above collection arrangements.

## Birthday Celebrations

It is always lovely to celebrate a child's birthday in school and our team will do all that they can to make them feel special on this day. In keeping with our healthy school approach, we ask that you do not send sweets/treats into school to be handed out. A suggestion from a parent that we particularly liked is to send a book into school that could be donated to the school library instead. Your child could write a dedication on the inside cover and this can be displayed for children to see and enjoy in school for many years to come.

## The Wellspring Harvest Festival

Thank you for your incredible support in donating items for The Wellspring Food Bank. They will be so pleased with your kind efforts and will certainly go on to make a difference to many people's lives. Thank you!
