SHOW
RACISM
THE
RED
CARD

We are well underway with our celebration of Black History Month which has included teaching and learning about Mary Seacole, Mae C. Jemison and Barack Obama to name but a few significant individuals. The children have been reflecting on the challenges individuals have faced in their lives as well as the opportunities that they went on to embrace as they brought about positive changes in our world.

Next week, as part of Black History Month, we will be joining schools and individuals across the country in marking Show Racism the Red Card day. The team have planned for activities during the day that will further develop our children's learning and understanding about racism and how we can contribute to a world that is against all forms of discrimination and racism. In addition, children are invited to come into school wearing an item of red clothing as we join together in raising awareness and showing our support.

Pupil Parliament

We are excited to be expanding our Pupil Parliament again this year. Children from Y1-Y3 who have expressed an interest in applying for a department have received an envelope including an application form. Please ensure that these are returned to your child's Class Teacher on **Monday 18th October**. We look forward to announcing the newly elected members in our whole school assembly during UK Parliament Week on Tuesday 2nd November.

Packed Lunches

Healthy School - Please remember to ensure your child's packed lunch is made up of items that contribute towards a healthy lifestyle. Snacks for Y3 pupils should be a single piece of fruit, vegetable sticks or dried fruit. This does not include crisps/ popcorn.

Nut-Free School - It is really important that children do not bring items into school that may contain nuts. We have a number of children who have severe allergies and their safety must be considered as a priority. Please do not include cereal bars, pesto or sandwich fillings that may contain nuts.

As ever, thank you for your support with the above.
