

Weekly Newsletter

This week Mellors, our school catering company, gave the children an opportunity to try some of the food they serve to help them with their food choices in the morning. Our food choices to the children have been growing with the option of cheese and beans as a jacket potato topping as well as plain pasta and bread as part of the daily salad bar that the children have unlimited access to. We look forward to more tasting sessions soon and the opportunity for the children to have their say about what food they would like to see on our school menu.

Tickets are now available for our Winter Wonderland in the playground. Alternatively, please email us with the number of tickets you require (pta.chps@gmail.com) and we can arrange that for you.

Local Residents

Please ensure that you are being considerate when parking in the surrounding residential area. This follows a complaint made by a local resident who had a near miss with one of our parents who was reversing into their drive when turning round their car.

This week on Twitter...

We had a visitor from the @NSPCC. We

met Buddy and learnt to speak out if we have a problem or need help.

We had a visit from our very own Bob the Builder! He told the children all about building our school and the tools he uses.
