

What an amazing and fun filled Autumn Term we have had! Our imaginations have been busy playing at the hairdressers, the doctors and the supermarket. Despite the weather, we have enjoyed working together outside playing team games and completing obstacle courses and treasure hunts. We went to a spooky disco in our frightening fancy dress and played ghostly games! And finally, we have embraced all things Christmassy, including festive crafts and baking, with some of our creations being used to decorate the Winter Wonderland!

From all of us at Kids Club, we wish you a very Merry Christmas and a Happy New Year. We look forward to welcoming you back in January.

### What's coming up?

In Kids Club, we believe it is important to consult our children on what they would like to do whilst they are with us. We also observe the children throughout the term on the activities they are most fond of. This helps us to create a plan for the term ahead. With that in mind, Spring 1 will see our children painting, den building, preparing their own snacks, dressing up, bread making, playing outdoors and baking.
