

Thankyou!

We would just like to say a massive thank you to all of the reception children, parents and school staff for giving our new practitioners such a warm welcome! We are very appreciative of your patience and support during the transition period from nursery to the hall and we have been overwhelmed by your generosity in giving donations of cardboard boxes to the club.

They said, so we did...

The children are a key part of our planning at Kids Club and we regularly ask them what activities they would like to have access to. Staff also observe the children in free play to help them plan.

This month they have been busy:

- Designing & making kites
- Constructing Lego masterpieces
- Creating models from recyclable materials and experimenting with different textures
- Telling stories through role play
- Playing group games
- Experiencing messy play
- Reading a variety of books
- Decorating biscuits.

Wonderful Words from the children

'I enjoyed the ship game '

'I liked home play '

'I want to do kites again '

'I loved decorating biscuits'

In line with new Ofsted requirements we are reviewing our Healthy Eating Policy to include snacks. We would really appreciate your thoughts on this, please email jodie.hepworth@cheadlehulmeprimary.org.uk with your feedback on what you would like to see being provided in our wraparound care.

Reminders

- Please ensure that you ring the doorbell at both the Kids Club entrance and the temporary entrance and wait until a member of staff collects you before entering the building.
- Please note that breakfast is served until 8:30am, there will be fruit available for the children who arrive after this time. Snack is served at 4:30pm.
- Please refrain from using your mobile phones within the school premises in line with the school Safeguarding Policy.

Coming up in February

The children told us they would to: make musical instruments from recyclable materials, make kites again, create and decorate Chinese lanterns and dragons, make fruit salad and build dens. Look out for some of their creations in the next month's issue.

Miss Hepworth and Team
