Issue 2 February 2019

Holiday Club

Lots of fun was had over February half term in our Holiday Club. We are developing our Forest School and started by building a bug hotel, making magic wands and planting our first trees! In the cookery sessions we made delicious pizza and gingerbread. We went out and about and had visits to the park and walks in the forest.

Our Easter Holiday Club will run on **9th/10th/11th April** and **16th/17th/18th April 2019**. Please email a booking form to jodie.hepworth@cheadlehulmeprimary.org.uk to secure a place.

They said, so we did...

The children are a key part of our planning at Kids Club and we regularly ask them what activities they would like to have access to. Staff also observe the children in free play to help them plan.

This month they have been busy:

- Making Puppets
- Building Chinese dragons
- Creating models and play houses from recyclable materials
- Getty messy exploring different textures
- Designing valentine hearts
- Painting
- Making chocolate crispy cakes
- Making wands and crowns
- Telling stories through role play
- Dancing in the studio
- Den building
- Playing group games
- Modelling with playdough

Wonderful Words from the children

"My magic isn't working! You're not invisible yet!"

"We have made a knights T.V for the dining room!"

"I am just a normal superhero!"

"How about a chicken timer instead?"

Reminders

- Please ensure that you ring the doorbell at both the Kids Club entrance and the temporary entrance and wait until a member of staff collects you before entering the building.
- Please note that breakfast is served until 8:30am, there will be fruit available for the children who arrive after this time. Snack is served at 4:30pm.
- To support your children's independence please encourage them to hang up their own coats and bags as they arrive at the club.

Coming up in March...

The children told us they would like to: Create junk models, bake some tasty treats, make mother's day cards and gifts, paint pictures and build dens outside. Look out for some of their creations in next month's issue.
