Issue 4 Summer 1 2019

We hope that you all had an eggstra fun time over the Easter holidays! The children have had fun times this month and returned excited and ready for the new term. Easter time saw the children making Easter cards/baskets and chocolate crispy cakes. Many thanks again for all the materials that parents/carers bring it to enhance the children's play experiences- they love creating models and works of art /dens with the junk modelling tubes, boxes and bottles!

What's coming up?

The children are a key part of our planning at Kids Club and we regularly ask them what activities they would like to have access to. Staff also observe the children in free play to help them plan. Coming up next month: Egg & spoon races, indoor & outdoor obstacle courses, musical instrument making, mask and costume making, play dough modelling, junk art, making sun catchers, making bracelets, decorating biscuits, den building, making butterfly wings, drawing and painting to name just a few!
