

Reception Curriculum Map

Autumn - 'I think I can, I know I can'

Collaboration

As collaborators we will play, find out and explore together. We will ask for help when we need it. We will share our own ideas and talk to children and adults about them. We will listen to and think about other peoples ideas.

We will: get to know each other and share our ideas with our new friends and teachers. We will learn the school routines and get to know the people in our school.
As readers: we will learn our phase 2 phonics and begin to put the letters together to blend and segment CVC words.
As writers: we will learn to write our names and other words. We will use segmenting and blending to write the sounds I can hear in a word. In handwriting we will learn letter patterns and formation.

As Mathematicians: we will recognise and order numbers to 10 and then 20+. We will add and subtract using counters that we will choose ourselves. We will look at the sizes of animals and make shape pictures, e.g. houses/cities. We will weigh ingredients to make cakes from our You Choose book.

Possibilities

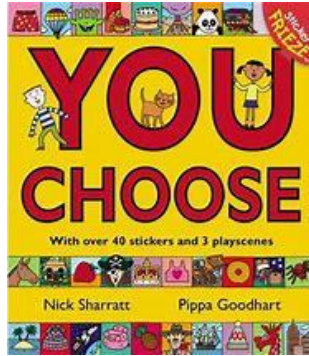

As risk-takers we will be willing to 'have a go', have our own ideas and make links. We will choose ways to do things and talk about why things do or don't work.

Inspirational Text
 'You Choose'

Class Stories
 Children choose

WOW Starter
 Coming to school for the first time!

As Scientists: we will: investigate the question , What is the best way to dissolve jelly?
 We will sort and group animals and think about where they live.
As Autumn Spotters we will look for patterns and change.

Respect

As emotionally intelligent young people we will keep trying, enjoying and achieving what we set out to do. We will get involved and concentrate on our learning. We will start conversations and listen to what others say and be considerate to others.

As Artists: we will: draw ourselves in portraits and make the covers for our theme books. We will make animal collages.

As Designers: we will: make animals with moving parts.

As Musicians: we will: experiment making sounds and playing different instruments. We will also enjoy dancing and singing.

As Technologists: we will use ipads to help us with our learning. We will take photos and videos to share our leaning with our families and friends. We will use technology to draw, read, write and talk.

Technology

As technologists we will use ipads and computers to help us with our learning. We will choose and use technology for particular purposes. We will think and talk about the reasons why things happen or how things work.
