

Reception Information 2021/2022

Our Mission Statement

“Preparing our children for a world we know and a world yet to be discovered”

Starting School

As your child starts school we hope the following information is useful and should be read in conjunction with the Starting School information available on our school website.

If you have any other questions, please contact admin@cheadlehulmeprimary.org.uk and we will do our best to help you.

Has your child got...

- Names on all their belongings?
- A grey draw string PE bag with a white polo shirt with the school logo, navy shorts and trainers?
- A navy coat or school coat and pair of shoes they can fasten on their own?
- A Cheadle Hulme Primary School book bag?
- A Cheadle Hulme Primary School water bottle in the correct house colour?

Book Bags

Your child will be provided with a Reading Record which will be sent home each day and should be brought back into school each morning. Book Bags are available from our school uniform providers Monkhouse www.monkhouse.com and Express Uniform www.expressuniform.co.uk.

Water Bottles

Each child will be given their own school water bottle in their house colour at their transition session on Friday 9th July. You will see that this has been charged to your ParentPay account (information enclosed) in September at a cost of £2.50 per bottle. Children may only have water in their water bottles (no juice or cordial).

School Lunches

All Reception, Year 1 and 2 pupils are entitled to a free school lunch. You may choose to opt out of this government funded scheme by sending your child into school with a packed lunch. Please note that we are an **allergy aware** school. We have children and adults in school who could have a fatal reaction to any contact, however small, with **nuts**. Please do not send any items with nuts into school under any circumstances. If your child has an allergy please ensure you inform the school.

Pupil Premium Funding

Please complete the '[Free Early Education Entitlement](#)' form online to ensure your child receives any additional funding they may be entitled to in addition to a free school lunch.

You can claim for Pupil Premium Funding if you receive:

- Income Support
- Universal Credit (provided your household income is less than £7,400 a year after tax and not including any benefits you get)
- income related Employment and Support Allowance
- income based Job Seekers Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit only with an income of less than £16,190
- the guaranteed element of Pension Credit

Snacks

We take part in the School Fruit Scheme and Milk Scheme whereby each child in Reception receives a free piece of fruit or veg and a carton of milk each day. We encourage children to try the different types of fruit and vegetables supplied as we promote healthy eating. Unhealthy snacks (sweets, crisps and similar) are not permitted.

Behaviour

Our three school rules are:

We are respectful, we make good choices, we do our best.

The children's standards of behaviour reflect the expectations that school and home set. We aim to encourage a "family atmosphere" within the school and it is not uncommon to see older children taking care of our younger children.

All children are expected to behave in a sociable and responsible manner. On the few occasions when a problem does occur, a quiet word, the withdrawal of a privilege or in more serious cases, a message home, is usually enough to resolve the issue. We also reserve the right to ask parents to visit school to discuss behaviour issues if their child is affecting the happiness or safety of other children. Our Behaviour Policy can be found on cheadlehulmeprimary.org.uk

The House System

We operate a House System throughout the school and in September your child will be assigned to a house, which they will remain in throughout their time at Cheadle Hulme Primary School. We introduce children to the House Point System during Reception; points are awarded for achievements in accordance with our 3 School Rules (see above) both in relation to pupils' work and how they show respect towards others.

 Altius	Altius is Latin for the Olympic quality 'higher'
 Citius	Citius is Latin for the Olympic quality 'faster' or 'swifter'
 Fortius	Fortius is Latin for the Olympic quality 'stronger'
 Magnus	Magnus is Latin for the qualities of 'great' , 'mighty' or 'powerful'

Safety Before and After school

For obvious safety reasons we do not allow the riding of bicycles and scooters in the playground. This must apply to adults, pre-school and school children. The use of balls before and after school is also not permitted. Parents who allow their children to play on the Trim trail do so at their own risk and accept full responsibility if their child is involved in an accident. To secure the site the gates are locked after drop off and we appreciate your cooperation in leaving the school grounds promptly to facilitate this.

Safeguarding

We are committed to the Safeguarding of our pupils. If you have any concerns, please contact the Head of School, Elise Drake or Ryan Thompson (Deputy Head) who are the Designated Safeguarding Lead (DSL).

School Times

The school doors open at 8.50 am for a prompt 9.00 am start. We encourage all children to come into classrooms on their own as this provides a more settled start to the day. Reception children will be encouraged to do so from the outset. Staff are responsible for children from 8.50 am and we encourage children not to come to school any earlier. School finishes at 3.15 pm.

Punctuality and Attendance

Absence due to appointments:

Ideally all routine medical/dental appointments should be made outside of school hours to reduce disruption to your child's learning. At the very least, appointments should be made for the start or end of the school day so that disruption to learning is kept to an absolute minimum. We would not expect a child to miss an entire day of school in order to attend a routine appointment.

If it is necessary to take your child for an appointment during school time, please write to/email the School Office in advance (ideally at least 48 hours) and provide sight of the appointment letter/message so that the absence can be considered for authorisation by the Head of School.

Absence due to illness:

Absence from school should be avoided whenever possible. If your child is too ill to come to school, then please inform the School Office via telephone by 9.00 am on the first day of absence and every day thereafter unless otherwise agreed by the school. In the interests of safeguarding, if the school has not received notification of a child's reason for absence, then every effort will be made to contact the family. Please ensure that your child returns to school as soon as he/she is fit enough to do so.

If your child has had a contagious illness e.g. a diarrhoea and/or vomiting bug, then the 48-hour rule must be followed. This rule requires the child to remain absent from school for 48 hours after the last episode of diarrhoea and/or vomiting. Please show consideration for the health of others and adhere to this rule in order to reduce the spread of germs and infection.

Absence due to holidays:

The Department for Education (DfE) issued legislation from September 2013 which prevents Head Teachers giving authorised absence for holidays during term unless there are 'exceptional circumstances'. Stockport Local Authority monitor attendance/absence figures and challenge any decisions regarding authorised/unauthorised absence that are regarded as not complying with legislation and may, ultimately, fine parents for unauthorised absence.

If you decide to take your child out of school in order to go on holiday, you must put your absence request in writing (ideally 2 weeks in advance) via email for the attention of the Head of School explaining your reason for doing so.

Please remember that we want the best for all pupils and absence during term time can have a negative social impact and can seriously disrupt a child's progress. Attendance and punctuality is monitored daily and the school may contact you if there are any concerns to discuss further.

Medical Matters

It is essential that the school is made aware of any medical issues whether they are minor or life threatening so a care plan may be completed if required. It is important to share your child's medical history with us, if it is likely to affect their time in school.

The School Nurse (Stockport) makes regular routine visits. Sight/hearing and height/weight are routinely checked by the School Nurse team and you will be informed in advance of their visits.

Medication in school

If your child requires medication to be kept at school for a long term health condition e.g. asthma medication or requires a short course of medication e.g. antibiotics, the relevant form can be obtained from the School Office. All medication must be named; given to and collected from the School Office by an adult. Long term medication must be collected at the end of the school year and cannot be kept in school over the summer holidays. Any medication left will be disposed of. Only prescribed medication can be administered in school.

If your child becomes unwell during the school day we will contact you immediately if we feel they are not well enough to remain in school. **Please therefore make sure that we have up-to date contact numbers for you at all times.**

Pastoral Care

From time-to-time we are made aware that a child is unhappy about something that is happening at home. Whilst not seeking to interfere in any way, we are pleased when parents and carers share their difficulties with the Head of School or Class Teacher. If the problem persists we can refer them to outside agencies who may be able to help.

Questions or Concerns?

If you have any questions or concerns about your child, then please contact your child's Class Teacher in the first instance. We are here for you and your child and will do all we can to reassure you or resolve your concerns.

Playtimes

Minor grazes, bumps and bruises are dealt with by a qualified first aider. In the very rare case of a more serious accident, children will be sent to hospital and parents contacted to accompany them. An accident log is kept where any injuries are recorded. If your child receives first aid for a bump on the head a slip will be sent home with your child at the end of the day informing you of the incident. In more serious cases you will be contacted by telephone so it is essential that the School Office always has your most up to date contact details.

In adverse weather children may be kept inside to work or play with a range of activities under supervision. At lunch time children are supervised by Midday Assistants.

Home/School Communication

A weekly newsletter is issued each week with lots of essential information. Please make sure you read this to stay informed about what is happening in school.

Additional information will be communicated via email, unless a reply slip is required in which case a paper copy will also be sent home. Please check your child's bag each day in case there is an accident slip or a message in your child's Reading Record.

Our website www.cheadlehulmeprimary.org.uk is another vital source of information and each year has their own individual page for further information.

In addition, please follow us on Twitter to find out what the children have been learning about in school. Each year group also has their own Twitter account. Twitter will often have daily updates from across the school. If you do not have a Twitter account you may still see all the posts from your child's year groups and the school by visiting the relevant year group page on www.cheadlehulmeprimary.org.uk

Some parents set up groups on social media to communicate with each other. Please note that these are not administered by the school and should not be seen as a substitute for our official communications.

Curriculum Workshops

We hold a number of these over the year to which all parents/carers are invited so that you can support your child's learning. Look out for details.

Curriculum Maps

Curriculum Maps outlining the curriculum learning objectives and activities throughout the year are available on www.cheadlehulmeprimary.org.uk on each relevant year groups page.

Educational Visits

Your child may be taken on a number of Educational Visits during the year which link with their work in school. If you have any difficulty financially with the cost of these visits, please contact the Head of School or your child's Class Teacher.

Kids Club - Before and After School Care

Further information about our Kids Club can be found on the school website. A booking form for 2021/22 will be emailed out before the end of the school year.

PTA Meetings (Parent Teacher's Association)

New parents are automatically members of the PTA and will be welcome to opt to become committee members.

Parent Council

Parent Councillors represent the views and opinions of their class at meetings with the Head of School. More details will follow at a later date.

Dogs

Dogs are not allowed on the school grounds and must be kept away from any children who may be allergic to or afraid of dogs.

Litter

Please use the litter bins provided. We aim to create a clean environment for our children.

Lost Property

A basket for lost property is situated in the Reception classroom. It really helps if ALL belongings are labelled (including socks!). Please use sewn in labels or indelible pen to mark clothes.

Items that should stay at home

Anything dangerous or valuable should NOT be brought into school. We discourage children from bringing toys to school. Naturally, other children like to play with them and this can be stressful to the owner of the toy, especially if it is accidentally lost or broken. We do not allow the wearing of jewellery, earrings, necklaces, bracelets and rings, as they are dangerous when the children are playing or involved in PE, and they can be a temptation to other children if left around. We do not accept responsibility for accidents or losses, which may arise if parents ignore this request.
