END OF TERM THANKS

We've had a fabulous and busy Autumn Term here at CHPS! The children have had a number of author visits, we've launched this years Pupil Parliament and as a community have done some amazing fundraising for our new school charity the Children's Adventure Farm Trust as well as through our PTA (see below for more!)

I'd like to say a massive thank you to every member of the school community for everything you do to help make the school such a vibrant, happy place for our children. Your support is hugely appreciated.

Whatever you have planned over the next two weeks, on behalf of everyone here I wish you all a very happy festive break and will look forward to seeing you and your children back in 2026!

SEASONAL SUPERSTARS!

We've been treated to some incredible performances this week - our Key Stage 1 and Early Years pupils put on a series of beautiful and very entertaining Nativities and our Key Stage 2 pupils were amazing in our two Carol Concerts at St Andrew's Church on Wednesday.

In amongst these have been some festive parties, the usual brilliant Christmas lunch and every child has had a Yuletide cinema or theatre visit, not to mention some creative Christmas crafts!

CHRISTMAS READING CHALLENGE!

This Christmas, we're inviting all children to take part in our Christmas Reading Challenge. Reading little and often at home helps build confidence, improve vocabulary and spark imagination — all while having fun.

Challenge bookmarks will be sent home with children this week. Please return completed cards to your child's class teacher after the holiday, ensuring their name and class is on the back. Let's make reading part of the Christmas magic and celebrate every story shared this festive season!

DIGITAL WELLBEING & ESAFETY

As we enter the Christmas period, many of our pupils will be spending more time using various forms of technology or in some cases gaining the means to do so for the first time.

We know how amazing technology and the internet can be but must always be aware of the dangers associated with both - not just in terms of the traditional definition of 'eSafety' but also in the realms of more subtle risks posed to things like attention span, self esteem and more broader moral values.

We will be sharing further information on Digital Wellbeing in the New Year but in the meantime would point towards the Online Safety page of our school website ([which can be accessed here](#)) and to consider the following points...

- How open is your communication with your child regarding their use of technology?
- How involved are you with your child's time using technology? Do you explore the online world together and/or is technology used in a shared area?
- How much do you know about privacy settings and age restrictions?
- How much do you monitor your child's screen time and do you talk to them about why it is important to do this?

PTA END OF TERM UPDATE

Thank you to everyone who has supported the PTA events this term - we've had some brilliant events for the children, adults and families with our autumn disco, wreath making workshop and Christmas fair.

We also had our Christmas card fundraiser which raised over £800 in commission from products purchased.

Overall this term we raised £6668!

These funds have gone towards getting us started on the [OPAL programme](#) and paying for some festive treats for the children.

We hope everyone has a wonderful festive break and look forward to lots more fundraising and fun next term.

Dates confirmed so far for spring and summer:

Thursday 5th February - Disco
Saturday 20th June - Summer Fair

KIDS CLUB PLEA

Our Kids Clubs are always looking for good quality toys and games. If you think you can help, please contact the school office or email the team at kidsclub@chaddlehulmeprimary.org.uk

SPRING PE DAYS

Pupils in all year groups are able to come into school on PE days in their kits. Please note however that this must be in line with uniform expectations which can be found [here](#). PE days for next term are as follows:

Reception - Tuesday
Year 1 - Monday & Thursday
Year 2 - Wednesday
Year 3 - Wednesday & Thursday
Year 4 - Wednesday & Friday
Year 5 - Monday (Thurs swim)
Year 6 - Wednesday & Friday

Article 23

If you are disabled, either mentally or physically, you have the right to special care and education to help you develop and lead a full life.

END OF TERM HOUSE POINTS!
