## RIGHT RESPECTING SCHOOL - THE GLOBAL GOALS

At Cheadle Hulme Primary School, we are committed to the **United Nations Convention on the Rights of the Child (UNCRC)**, meaning we place the Rights of the Child at the heart of our curriculum, school ethos and culture.

The rights are heavily linked to the 17 Global Goals ([click here for more info](#)) which are woven in to each year groups' curriculum and displayed in each classroom. Through weekly Rights Respecting assemblies, regular in-class 'Great Debates' and through the broader PSHE curriculum, we try to open up the outside world to the children so they are aware (in an age appropriate way) of some of the challenges faced by other people outside of their own lived experience.

## PTA SPRING DISCOS - THURS 5TH FEB

This terms PTA Discos will be taking place on Thursday 5th February - during the afternoon for Early Years, straight after school for Years 1-3 and at 6pm for Years 4-6.

Tickets are available now using this link. The deadline for purchasing tickets is 12pm (noon) on Tuesday 3rd February - tickets will not be available to purchase after this date has past.

A huge thanks in advance to everyone who supports these fantastic events.

## Article 24

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well being so that children can stay healthy. Richer countries must help poorer countries achieve this.

## PARENTS EVENINGS

We are looking forward to welcoming you in to school for our Spring Term Parents' Evenings next week.

These Parents' Evenings meetings have more of an academic focus, although there will of course be reference to children's personal development and attitude to learning. During the meetings, your child's Class Teacher will be expanding on the progress made over the Autumn term as well as discussing their focus for this term in each core curriculum area. There will be the opportunity to discuss further the attainment summaries which were sent out prior to the break and to discuss what is currently in place for your child in school and what you can do to further support their progress at home.

If you have not yet booked your appointment, you can do so through MCAS until **Monday 19th January at 12 noon.**

We hope you find the meetings informative and enjoyable. Members of the Senior Leadership Team will be on hand to welcome you in the main reception area should you want to speak to any of us about anything concerning your child or any other school matters.

# FAMILY SUPPORT

## PHARMACY FIRST

The NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment. Accessing the service may mean that children feel better and are back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.
