

Weekly Newsletter

SUMMER BOOKSHELVES

Welcome back to the final term of the year - we are all very excited about everything the term has in store! All the children, as always, are kicking off the term with new Bookshelves. For those of you less familiar with these, they are a selection of books hand-picked by your child's Class Teachers to enthuse the children in their learning and to bring to life the character traits which are as follows: Kindness, Bravery, Gratitude, Citizenship, Curiosity and Integrity. Over the seven or eight years the children are with us, these character traits are repeated and revisited through various points in the curriculum so that they build up a good evolving knowledge of them and how they can affect their personal development.

PTA UPDATE

£20.25 Challenge

A huge thank you to everyone who had taken part in this so far and helped to raise nearly £2000! There is still time to take part in this and whatever amount your child can raise will all contribute to getting us the items we shared in the last newsletter of last term - is there a challenge your child can do this weekend? Any contributions can be made through the following link: <https://www.justgiving.com/page/chps-pta-2025>

Summer Fair Planning Meeting

Our Summer Fair is booked for Saturday 28th June and we are having a brainstorming and planning meeting on Wednesday 17th May at 8pm at Platform 5 in Cheadle Hulme - all parents are welcome - please do come along if you'd like to be involved in any part of organising the Fair or involved in any way.

MATHS WORKSHOP FOR PARENTS

We are looking forward to welcoming parents in to school after school pick up on Thursday 15th May.

This workshop will include a short session in which we will share a number of resources to help you support your child's maths at home followed some practical sessions to show you how we teach written calculations. This is in response to a lot of parent feedback we always get because understandably a lot of you have forgotten how you were taught it yourselves!

On the day, the children will be dismissed as usual and you and your child will be invited back in to the downstairs classrooms where the workshop will start roughly 10 minutes afterwards.

We hope you find the session useful and enjoyable!

EARTH DAY

Every Thursday our children have a Rights Respecting assembly led by a different member of the team here. This weeks was a celebration of Earth Day which took place last week to show support for the protection of the environment and the planet.

The assembly linked to the following rights:

Article 6

Every child has the right to life

Article 24

Every child has the right to the best possible health.

SUMMER AUTHOR VISIT

We are delighted to announce that our summer term author visit will come courtesy of the brilliant Tom McLaughlin who will be joining us on Tuesday 17th June.

Tom is the author and illustrator of a large range of great books including a *The Accidental Prime Minister*, *The Story Machine* and *The Cloudspotter* and will be talking about his process as a writer as well as doing some live drawing with the children. For more information about Tom, click on this for his website.

FAMILY HUB SESSION

One Stockport Family Hubs are running a series of information and advice sessions for parents of neurodivergent children and those with SEND. The sessions are free and no formal diagnosis is required.

More information about these sessions can be found here.
