SPORTS DAY

We had an absolutely fabulous morning of sport yesterday over on the LCH field in glorious sunshine! The children were total superstars, gave their all and did us proud both in their sporting performances but also in the way they supported each other and showed real respect throughout.

We need to say a massive thank you to Mr Ross and Miss Dawson for the extensive organisation prior to and during the event, our secondary colleagues for allowing us to use the space and of course to all families and friends who came to cheer on the children (plus those good sports who got stuck in to the parent's race!)

Yesterday's event caps a great year of sport for us at CHPS with a large number of pupils representing the school in a wide range of sports and many more receiving specialist teaching in tennis, cricket, lacrosse and football to name but a few!

CABINET MEETING

Last week, groups of children from schools across our trust came together at Hazel Grove Primary School to begin work on our School Development Plan. They shared brilliant ideas about how we can make our school more inclusive and how we can support the wellbeing of all pupils.

The children worked wonderfully as a team, showing great thoughtfulness and care as they discussed ways to make our schools the best they can be. They also explored how our school's character traits can be part of our everyday routines and help everyone feel a strong sense of belonging.

It's so important that our children have a voice in shaping our school, and they truly were a credit to us. We're incredibly proud of how they represented our school—well done to all involved!

CRAZY HAIR DAY / FOOD BANK COLLECTION

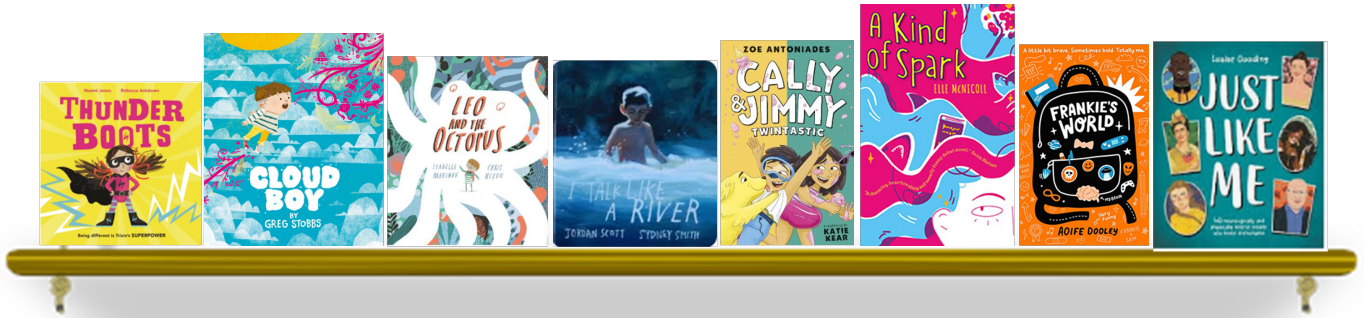

As previously advertised, next Friday (18th July) will be a crazy hair and dress down day.

Although this had been a PTA event, we have agreed that rather than fundraising, we would like to use this as the last opportunity of the year to do a collection for this year's school charity, the Chelwood Food Bank. On the day, if you are able to spare any items ([some suggestions can be found here](#)), please send them in with your child.

If you would benefit from utilising the food bank over the summer holidays, please contact Mrs Illidge: Lauren.illidge@cheadlehulmeprimary.org.uk who can refer you confidentially for support.

SEND RESOURCES - NEURODIVERSE BOOKSHELF

We often talk about the need for children to 'see themselves' in the books that they are reading and yet for some children this can sadly be a rarity. Fortunately there are some fabulous books representing various forms of neurodiversity, some of which can be found below on a special Bookshelf created by our Reading Lead, Mrs Maddison. Books such as these can be crucial in helping some children understand themselves but also to help them understand and appreciate the needs and differences of others.

PRE LOVED UNIFORM

On Thursday 24th July we will be leaving out current stocks of pre loved uniform should any families like to benefit from this. These will be opposite the pre school entrance down the side of the school building after school.

If you have any pre loved uniform to donate please send these in with your child next week.

UNIFORM UPDATE

Just a reminder that both [Express Uniform](#) and [Monkhouse](#) currently have discounts on old uniform stock (limited sizes available) - both online shops are linked above. Express are also now stocking new versions of all items including hats, bags and coats.

DIGITAL WELLBEING RESOURCES

Thank you to everyone who joined us last week for our Digital Wellbeing session.

During the session, we shared a little about how we approach certain issues in school and shared a large number of resources to support families in establishing healthy habits for the use of technology in the home.

The slides from the session, which include lots of links to useful websites can be accessed [here](#). There are also loads of useful resources and links on the Online Safety page of the school website [here](#).

MUSIC TUITION

We're excited to be offering high-quality instrumental or vocal lessons during the school day, delivered by specialist teachers from Stockport Music Service. These are additional paid lessons which develop musical ability and build confidence, creativity, and a lifelong love of music.

To find out more about this, including cost and how the sessions are tailored to interest and experience, [please click on this link](#).

We hope your child is enjoying their musical journey, and we're excited for Stockport Music Service to continue supporting and inspiring their progress at Cheadle Hulme Primary School.

DATES FOR THE DIARY

For a full list of dates for the 2024-25 academic year, please see our [Annual Planner](#) which can be accessed by clicking on this link.

22nd July - Open Afternoon (Altius/Citius)

23rd July - Open Afternoon (Fortius/Magnus)

25th July - Last day of term

1st September - INSET Day

2nd September - First day of term
