### **Guiding Principles:**

- These genres are to be covered throughout the term with a range of audiences being explored
- When planning, start with purpose and audience (use 'boxed success criteria')
- They are to be part of your T&L sequence with the outcome being an extended piece of writing. Length of the T&L sequence may vary, but should be linked to theme/bookshelf
- These genres should be balanced between two half terms as appropriate. When revisiting a similar genre refer to previous learning and build on it. Genres can lead to different outcomes (E.g. Letter  $\rightarrow$  Postcard, Recount/Non-Chronological report  $\rightarrow$  Leaflet)
- Genres can be combined as part of a sequence (E.g. A character description which is then used in the story)
- The content of this 8YO is our minimum offer for all pupils, which can be complimented with additional writing opportunities to reflect the needs and interest of the cohort
- Additional writing opportunities that structure and support writing should be provided as part of/in addition to your sequence (E.g. Slow Writing) to focus on specific area/s of Transcription)
