Spring Term Parent Council

We will be holding our Spring Term Parent Council meeting at 9am on Tuesday 27th February. The Parent Council are discussing specific areas of school life and would therefore invite you to share feedback with your Class Rep under the following points:

- **Reporting on your child's academic and personal development** - understanding the mini attainment summaries, the mid-year Parents' Evenings and how you can support them outside of school too
- **Use of MCAS** - accessing attendance and punctuality information, communication from school, and payments/consent for educational visits
- **Charities work** - there will be a special visit from the Treasury (one of our Pupil Parliament Groups) to share their thoughts on fundraising and to get some input from our Parent Council. Please suggest any charities that you think would be great for them to contact about potential partnerships for the year ahead

Feedback linked to the above points will be prioritised for discussion in the meeting, but you are also invited to share any additional feedback about what has gone well this term and any suggestions for what could be even better in the future. Parents and Carers should speak with their child's Class Teacher regarding specific points related to them. Please share your feedback via the people/forms listed below:

Important Notes /Reminders

Keeping our children safe

Thank you for 'doing your bit' to set a good example to others in efforts to keep our children's safety a priority. Notable examples include: dismounting from bikes/scooters on site, supervising children until the point they are inside the building at the start of the school day, parking considerately and respecting other road users and school staff who are only trying to help out in our car park - we are not trained parking attendants or traffic police.

A number of families have shared photos and stories that do unfortunately contrast with the above. We will continue to follow up on this with individuals.

With regards to congestion, remember we are 'the traffic'. If you do not need to drive on site, or wish to get caught up in this at drop off or pick up, consider the alternative options to walk or park (safely) on a nearby road.

MCAS Balances

Thank you for making sure any outstanding payments are cleared from your accounts. Please remember to do this, particularly where you make use of Kids Club. Remember to speak with Mr Thompson, in confidence, should you need to discuss your account balance.

Virtual Sleep Seminar

Stockport's Parenting Team (NHS) are running their next sleep seminar to support families with children who have disrupted sleep and parents/carers who feel exhausted as a result. The session will take place virtually on Thursday 29th February at 9:30am. A flyer with further information and joining instructions has been shared with this week's Newsletter.

Articles 7 & 8

Miss Bardsley led this week's Rights Respecting assembly and spoke with the children about the protection and preservation of their individual identity including their right to birth registration, having a name and to know and be looked after by their parents/carers.

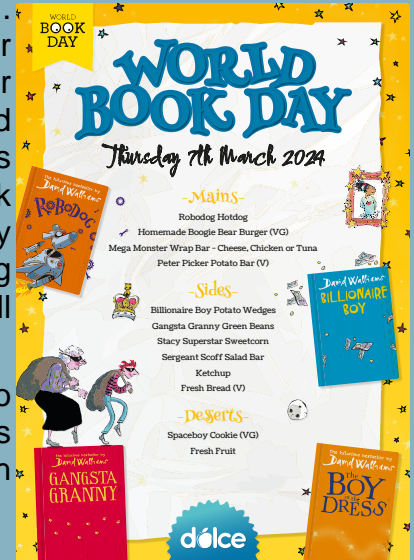

World Book Day

Earlier this week, Mrs Maddison (Reading Lead) shared information about what we have planned for this year's celebrations.

In addition to this, Dolce have a special menu for the day which will replace the existing option on SchoolGrid. Please review your child's order for this day if you had pre-populated this option a while back to ensure they have something you know they will enjoy.

We look forward to sharing highlights from the day with you!
