and a world yet to be discovered.'*

## Summer Term Curriculum Bookshelves

Welcome back to the final term of the school year! We hope you enjoyed some time together as a family over the break.

The children have returned with lots of energy and enthusiasm to get started with exploring the Curriculum Bookshelves that teaching teams have curated for the term ahead. There are some excellent texts that the children will use to inspire and support their learning. Further information can be found on the 'Year Groups' tab of our website.

Mr Thompson, Head of School

## Instagram

As you know, we have moved our main school social media account to Instagram and have now established individual year group accounts too.

These accounts will remain private (like we had in place last term on X) and we will verify follower requests so that only families of pupils in the year group, alongside Trust Schools and staff, can view these feeds.

If you would like to follow your child's year group accounts, the handles are as follows:

Pre-School: [chps.preschool](https://www.instagram.com/chps.preschool)

Reception: [chps.reception](https://www.instagram.com/chps.reception)

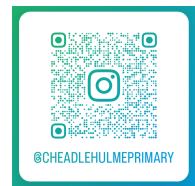

Year 1: [chps.year1](https://www.instagram.com/chps.year1)

Year 2: [chps.year2](https://www.instagram.com/chps.year2)

Year 3: [chps.year3](https://www.instagram.com/chps.year3)

Year 4: [chps.year4](https://www.instagram.com/chps.year4)

Year 5: [chps.year5](https://www.instagram.com/chps.year5)

[cheadlehulmeprimary](https://www.instagram.com/cheadlehulmeprimary)

In addition to following the above accounts, please complete [this short form](#) so that teachers can verify follower requests.

We hope you enjoy seeing what life is like at Cheadle Hulme Primary School through the window of Instagram!

## School Places

The start of the week saw many families, accept places to join our school community from September. We look forward to meeting you over the coming months if you are new to school, as well as starting the journey again with your family if you already have a child at school with us.

## Information / Reminders

### Site Safety

Thank you to everybody that has adapted to the arrangements in place whilst construction work continues at Cheadle College. Our Estates team and School Leaders have been out in the car park whilst people adjust to the new routes and crossings, though this is obviously not sustainable throughout the whole of the building project.

Thank you also to the families who have taken the time to thank our Estates team for their support, this has really made their day and they said Primary families have been very appreciative and polite!

### Snacks

Please remember that we are an allergy aware school and products containing **nuts should not be brought on site**. Ignoring this request can have serious, if not fatal, implications on staff or pupils who have allergies.

Thank you for your support in ensuring KS2 snacks are fruit, vegetables or breadsticks/crackers.

### First Aid & Medical Reporting

From next week we will be moving to MCAS for reporting First Aid incidents and administration of medication to parents/carers. Head bumps will be reported by text message (and email if the message was undeliverable). We hope this is a more efficient and effective system than using paper forms. We have not used this system before, so please let us know if the communication alerts do not appear to be doing what they should. Information about this has also been sent out via MCAS earlier today.

## Eid Celebrations

Today, we joined together to celebrate Eid with our Muslim families. The children performed an assembly to their based on a book about Eid that one of our parents has written and had published as well as enjoying party games, henna, music and crafts throughout the day. Thank you to all parent/carer volunteers and for families that shared photos of their own celebrations - you really enriched the day for our children! We look forward to sharing photos from the day next week.

## CHPS PTA

### Help needed!

We are organising two big events this term so we double the volunteers to make sure that both the Summer Fair and Colour Run are both great events for all of the CHPS community to enjoy.

Summer Fair planning – we need some more people to get involved in the planning of the Summer Fair – this involves various tasks – planning/brainstorming, preparation of games/activities, gaining support from local businesses, sourcing prizes etc. If you can help out in any way please get in touch with Jenny (parent to Martha in Y3 and William in Y1) or Gill (parent to Olivia and Grace in Y3) via your class rep or [pta.chps@gmail.com](mailto:pta.chps@gmail.com). This is a great opportunity to get involved in the PTA and help fundraise to enhance your child's experience in school. Everyone welcome!

Colour Run - Get your Colour Run tickets. Come and join us for the afternoon on June 15th at Cheadle Town Football Club for what is sure to be a fun-filled and colourful event! The bar will be open serving a variety of food and drinks! Tickets can be booked here: <https://www.pta-events.co.uk/chpspta>

## Dates for the Diary
