## Annual Parent Survey

Each year we seek feedback from all stakeholders through online surveys and use the responses gathered to inform our School Development Planning for 2024-25. Pupils, staff and yourselves are given the opportunity to respond to a small number of statements related to different aspects of school life.

The link to access the survey is [here](#). You can share your views over the coming week and the form will close at 9am on Monday 20th May. Thank you in advance for taking the time to respond, your feedback will be greatly appreciated.

We hope you enjoy seeing what life is like at Cheadle Hulme Primary School through the window of [Instagram](#)!

## Sun Safety

As we (finally!) experience some sunny weather, please remember to ensure your child brings their water bottle to school and appropriate allergy and sun protection has been applied.

It is also a good opportunity to check that your child's belongings are named to minimise any lost property, particularly in jumpers and blazers as these are sometimes removed on warmer days.

## SEND Champions

We have a brilliant group of parents/carers that attend termly SEND Champions meetings.

In the last meeting, the group:

- planned for a SEND Champions Coffee Morning
- Collated recommendations on tried and tested places to visit as parent/carer of a child with SEND
- Begun work on collaborating with SEND Champions from Laurus Cheadle Hulme to prepare parents/carers for what life is like as a parent of a high school child with SEND.

The group would like to advertise and invite additional parents/carers to join them for an informal coffee morning on **Wednesday 3rd July at 9am** where they would love to share their recommendations on places to visit within the local area and to further expand the network of parents/carers that can support each other and their child/children.

## Kids Club 2024-25

Thank you to those of you that have already submitted your requests for 2024-25 Kids Club sessions. The form to share your preferences is still open and can be accessed [here](#).

We would also like to remind families that any contact regarding Kids Club should be directed through the dedicated email account [kidsclub@cheadlehulmeprimary.org.uk](mailto:kidsclub@cheadlehulmeprimary.org.uk) rather than via the school admin email address. This will ensure that the right people pick up the messages needed for the Kids Club team.

## Information / Reminders

### Attendance

When children miss school, not only do they miss out on important learning but it makes their return difficult too.

We are very fortunate to have so many families that value the importance of education and our whole school attendance is above the national average as a result. However, there are some families that fall below acceptable thresholds and have been identified by our Education Welfare Officer for monitoring or for further action to be taken by the Local Authority.

With the above in mind, please arrange for appointments to be made outside of school hours (where possible) and stick to the excellent habits and routines to maintain strong attendance and punctuality for your child/children.

### Site Safety

Thank you again for the continued efforts to drive safely on the school site, college car park and surrounding roads. Please be aware of the pedestrian crossing in the speed bump near the entrance to the site and remember to give way to pedestrians that need to cross safely.
